

Evelina Outdoor Side Chair 39202-GLDASH

Reminiscent of a midcentury classic and crafted with a rattan rope seat and solid wood frame, the Evelina Outdoor chair uses century old finishing techniques to bring graceful elegance to your home. Thermo-treated to be more water and decay resistant, the special process caramelizes the sugars in the ash wood- giving it a signature light brown hue all the way through. Our Evelina Outdoor chairs are a sophisticated choice for both indoor and outdoor environments.
